

# Fluttering Pancakes

Decorates 4 servings

## Ingredients

12 Heart Shaped Pearl Milling Company® Pancakes

4 Small Pearl Milling Company® Pancakes

4 Long Pearl Milling Company® Pancakes

Chocolate chips

1 Kiwi

24 blueberries

4 strawberries

Strawberry jam

Candy Pearl Toppings

Pretzel Sticks

Hazelnut Spread

## Instructions

1. Place the long pancake in the middle of the plate. Place the small pancake at the top end of the long pancake to make the head.
2. Lay one heart shaped pancake on both sides of the long pancake. Cut the other heart shaped pancake in half. Place each half above the two heart shaped pancakes to form the wings.
3. For the face, draw a smile with the Candy Pearls and place two chocolate chips above the smile for the eyes. Arrange two pretzels beside the head to make the two antennae.
4. Cut the kiwi and the strawberries into flat slices. Place the kiwi and strawberry slices in the center of each heart shaped pancake, make sure they're symmetrical like real butterfly wings.
5. To add more decoration to the wings, add Candy Pearl toppings and blueberries symmetrically on each heart shaped pancake wing.
6. Fill in the butterfly body by spreading strawberry jam on top of the long pancake.
7. Finally, take the Hazelnut Spread and spoon 2 Tablespoons into a plastic sandwich bag. Cut a small hole in the corner of the bag, and line the outside of each pancake to highlight the edges.
