

Two Early Birds Pancakes

Decorates 4 servings

Ingredients

4 Large Pearl Milling Company® Pancakes

4 Medium Pearl Milling Company® Pancakes

Chocolate chips

4 Strawberries

8 oz Sliced Almonds

1 Mango

6 oz Granola

2 oz Walnuts

8 Gummy Worms

Gummy Music Notes (Optional)

Instructions

1. Place the large pancake on the right side of the plate. Then, place the medium pancake to the left side of the large pancake.
2. Cover the outside half of each pancake with the sliced almonds. Slightly overlap almonds to make them look like feathers.
3. For the wings, cut the strawberries lengthwise into small, flat slices. Then place one slice in the center of the pancakes over the sliced almonds to form the wings.
4. To make the beaks, cut two rectangles of mango and then remove a triangle from the center of each rectangle to shape the open beaks.
5. To make the legs and feet, cut two thin rectangles of mango and shape them into legs by removing small triangles from the bottom.
6. For the eyes, place one chocolate chip near each bird's beak.
7. Sprinkle on some granola, nuts, and a few gummy worms to make the bird's nest.
8. Add some gummy music notes if you have them to complete the bird's home with a song!
